AN EXCITING NEW SUBSCRIPTION OFFER EXCLUSIVELY FOR READERS OF MAD MAGAZINE!

"An extraordinary opportunity to own the official MAD Pin Collection!"

A Brief History of the MAD Pin Collection

In late 1990, MAD publisher William Mildred Farnsworth Higgenbottom Pious Gaines IX decreed that there should be an official MAD Pin Collection and ordered that famous artisans from around the world be contacted to see who would work the cheapest to create these objects of art!

Unique in all of jewelry-making history, we broke the mold before we cast these pins!

Each official MAD Pin is precision crafted by machines that are turned On and Off by hand!

Each Pin is cast in Space-Age Alloys—the same Alloys used to make NASA space shuttle souvenir pins sold by guys hanging around Cape Canaveral!

The Official MAD Pin Collection smells like jewelry that costs thousands of dollars and can be mistaken for real gold at distances over 500 meters (though at shorter distances they may be mistaken for a lot of other things!)

These Pins will not be sold in any store—we know, we tried getting any store we could find to sell them and nobody would touch them!

Due to the special nature of this offer, the number of Official MAD Pins commissioned shall never exceed the demand! (In the event of a tie, all production will cease! That's our commitment to quality!)

These are the very same Pins that will be offered by us again and again and again in future issues of MAD Magazine!

An Important Reminder! Each Official MAD Pin is so valuable it will be personally delivered to your home by an official United States Government Employee, dressed like a mailman!

This offer is neither endorsed nor in any way connected to the Franklin Mint, Benjamin Franklin, Joe Franklin or Franklin Delano Roosevelt!

INSIDE DOPE DEPT.

There's a great movie playing around. It's exciting, and full of action, and it's easy to watch. It's not one of those movies where you have to think! Or is it?? You certainly don't do any thinking during the movie. But after it's over, you're left with a couple of unanswered questions. In fact, *everybody* is left with a couple of unanswered questions. Take f'rinstance the guy who gets shot in the very first scenes:

Okay! So I walked around Marseilles! So this brown Mark III Lincoln Continental followed me! So I bought a French bread, and I bought a pizza, and I stepped into this doorway, and now I'm being—GAAAK!
—murdered! So after the picture is all over, maybe somebody will tell me . . .

Hey, kid, tell me! Do you believe in Santa Claus?

Well, I used to . . . until you started showing up around here—in JULY!!

An' I never saw Santa wearing a gun before! I think you're a cop!!

Well, I'm NOT, you little brat! And if you say that one more time, I'm gonna arrest you!

I'll have a Frank with sauerkraut . . . and a bottle of Pepsi!

I don't have any Franks . . . sauerkraut . . . OR bottles of Pepsi!

Then what's in the cart?

DISGUISES!! Now . . . beat it!!

WHAT'S THE CONNECTION?

ARTIST: MORT DRUCKER

WRITER: DICK DE BARTOLO

Hey, Birdie! Did you see? That guy gave the waiter a \$100 tip!

It's not even his waiter! And now he's giving the hat check girl a \$50 tip!

He doesn't even have a hat! There's something fishy going on here! That kind of tipping makes me suspicious! And the fact that they're all wearing GUNS doesn't help! C'mon! Let's follow 'em!

Cockeye, the last time we followed someone, we stayed up for 3 days and 3 nights, went 48 hours without food, and accidentally killed a Federal Agent!

Well... I can't promise it will be as much fun as THAT—but let's give it a whirl!

Gee, Cockeye, you're doing a great job of staying right on their tail!

No problem, Birdie! I tied our bumpers together!

Well? What's so unusual about that?

Well? What's so unusual about that?

But don't you think they'll get a little suspicious—seeing the same car behind them five hours in a row—especially in deserted Brooklyn?!

Naw! I keep changing my expression and they think I'm someone different each time they look!

Hey! The guy drives a Caddy, his girl is loaded down with expensive clothes and jewelry, and they come home to a dumpy little Candy Store like that! What do you think, Cockeye?

I think that Candy Store is a GOLD MINE! We should open one right across the street and steal his customers!

I'm going to New York!

I bought you a new camera!

I bought you a new coat!

That's great! Now tell me, what's the connection?

I got the scoop on those Candy Store sweeties! His name is Salvatore Giuseppe Bocciballo, and his wife's name is Angelina Bocciballo!

Oh, they're Italians?

No, Wops!

Wasn't this a great idea of mine? I figured Bocciballo was getting a little suspicious of seeing a car behind him all the time, so I came up with this...

Yeah, but don't you think that sitting in his BACK SEAT is a little dangerous?

Not so loud! He'll hear you! Now this is what I found out so far! Bocciballo and his wife make about \$7000 a year from the Candy Store... and they spend \$80,000!

Boy, I wish MY wife could stretch a buck like that!

Hey, we're stopping at **Sol Beanstalk's** apartment! I've been wanting to get something on him for years!

Yeah! They say he's a big bank-roller of illicit narcotics!

Who cares about that!? He's **Jewish!** That's what galls me! I don't know why those Jews don't go back to **Jewland** where they came from!

You know, Cock-eye! Sometimes you sound like a bigot!

Listen, I don't have any love for them Bigots, either! If I had my way, every one of **THEM** would be sent back to **Bigotland** where **THEY** came from!

And what is the purpose of your visit to America, Mr. Dapperbeaux?

I have come from France to drive my custom-built **Mark III Lincoln Continental** into **Brooklyn** where I will park it in the worst run-down section of the waterfront!

Gee, I was hoping **YOU** guys would know?

Yes, but what's the connection??

Okay, this is a raid! I want all the goodies on the counter!

Gee, Cockeye, why can't you come through the front door just once! This is the fourth plate glass window you've busted this month!

Boy, there are more pills, needles and drugs on that counter than in the last place Cockeye busted!!

Where was that?

The Upjohn Pharmaceutical Company!

Hey, Spade! Haven't seen you in a **Coon's** age! How's my little **Black-Eyed Pea**?

You talkin' to me?

Don't get cute with me, Sambo, or I might start some name-calling!

Hey, Man! You got a dime to lend me for the John . . . ?

Wait, I'll open it for you!

Okay! (**SOCK!**) No one can hear us now! (**PUNCH!**) So what's the word?

When? (**SLAM!**)

How much? (**CRACK!**)

Soon! Maybe this week!

I dunno! (**OOOF!**) A lot!

There's a big shipment due!

Now I'm gonna knock you back outside with one last shot! Thanks for the info! You're really a friend . . .

Thank God I'm a **FRIEND!** I'd hate to see the way he treats his **ENEMIES!**

But, Lieutenant Simpleton! I'm sure I'm on to something **BIG!!**

Yeah, but last time, I just had a "**feeling**"! This time, I got a real "**HUNCH**"!

Oh, well, if you're **THAT** positive, I'll assign a Fed to help! Let's see, who won't I miss if he gets shot accidentally??

What kind of a place is this, anyway?

It's an Auto Graveyard . . . where they auction off old cars!

See that guy in the black hat? He's our agent! He's bidding on a beat-up wreck of an old car for us!

Great! Now, can I ask just one more question?

WHAT'S THE CONNECTION???

Cockeye, the last time you were on to something big, you cost the Department \$40,000, 2 police cars and one Federal Agent . . . !

Why'd we stop in this restaurant for a twelve course dinner? It makes no sense at all! The food is lousy here!

It's not for the food! It's for the fantastic view!

This is our best table, Sir . . . overlooking Irving's TV Repair Shop, where you can eat your dinner in warmth and comfort while you watch that Narco agent watch you!

Here! I got you some Pizza!

Guinea food again? I'd love some Chink food for a change!

Excuse me, Sir! I just want to tell you that you're doing a real great job!

You mean tracking down the narcotics shipment?

No, insulting Minority Groups! You're a real credit to all the Micks!

Okay! Okay! I'm waiting! Is the stuff good?

Yeah, Man! It's like great!

Oh, wow! Who was killed? Cockeye? Birdie? Someone vital to the plot!

Naw! Nobody! It's just that there's been no violence for nearly 90 seconds, so we just stuck in this plain old bloody, gory, disgusting car wreck!

(CHOKE!) Yeah, but what's the connection?

EEEEEEK! EEEEEK!
Someone's shooting
at us! Oh, my God!
Look! There's a
sniper on the roof!

Boy, I sure wish
they'd go back to
Sniperland where
they came from ...
those lousy Snipes!

When you get finished
with your ethnic slurs,
you might chase him!
He just ran up and got
on the Elevated Train!

Thanks for the tip ... Kike!
**STOP! POLICE EMERGENCY!
I GOTTA HAVE YOUR CAR!**

Aw, c'mon,
guy! Take
somebody
else's car!
I want to
chase him!

Tough! You had
your chance in
"Bullit"! Now
it's my turn
to drive like
a crazy idiot!

First a short cut ... through this building ...

Next a quick run down this crowded sidewalk ...

Next, a blind rush through this dangerous intersection ...

And a light bounce off this fruit stand, under this truck!

Now watch this neat maneuver! Just before I hit that young mother and her baby carriage, I swerve! Unfortunately, into a busload of Orphans! But that's their tough luck! Why don't they go back to Orphanland where they came from!?!

Hmmm! Look at that creep waving the checkered flag! Hasn't got the patriotism to wave an American flag!
Here's where you get yours, you crummy Checker-lover!

C'mon, buddy! Put down the gun, will you! These poor people have been held up six times already . . . and we've only gone two stops!!

Don't stop at any station or I'll shoot!

Actually, I hadn't planned to! What do those dumb New Yorkers expect for 35¢ anyway?!? Scheduled stops?!?

What's going on???

Probably a cop after a wanted criminal!

I sure hope he catches him fast! So far, he's killed 245 innocent law-abiding-citizen bystanders!!

How'd you like that for exciting driving, eh? I sure got here before the train . . . didn't I??

You sure did! The last train station is two miles back!!

Take that, you lousy Snipe!

Now you know what it feels like to be shot to death!

Maybe next time, you won't be so quick to try to kill somebody!

Okay, so we sit here all night staking out the Mark III Lincoln that Dapperbeaux brought from France! So tell me . . . what's the connection?

Search me?!? But here come a gang of Spics looking to strip it! Isn't that GREAT?!?

What's so great?! It spoils the stake-out!

Yeah, but it gives us a chance to hit Spics! We haven't hit Spics once so far!

#\$\$% Spics! Why don't they go back to Spicland where they came from!?!?

But you're right! The stake-out is ruined! Take the car to the station and search it, and arrest the Spics!

On what charge . . . ?

Noodling their navels in Nantucket!

Is that a crime?

It carries twice the penalty of diddling your digit in Dallas!

Listen, Cockeye—

Fed, I've had it up to here with you razzin' me!!

But all I said was "Listen, Cockeye—"

Yeah, but if I let you get away with that, the next thing you know you'll be making it into a sentence! You've been on my back ever since I accidentally killed your best friend! Can't you forget a petty grudge?

Didn't find a thing, Cockeye! We checked the roof, the floor, the engine, the tires, the seats . . . everything!

Did you look in the trunk?

The trunk?!? No! What a fantastic idea! Hey, Gus! Look in the trunk!

Cockeye's right! The stuff is here . . .!

Boy, you dumb Mechanics oughta all go back to Mechanicland where you came from! Now put the car back together again! Dapperbeaux's waiting for it!

Here you are, Mr. Dapperbeaux . . . in perfect shape!

Wait a minute! What's going on here, anyway?

No matter what you say, Dapperbeaux, we never searched your car!

Who said anything about searching my car!? I lost a brown Lincoln Continental and you're giving me back a green Cadillac Eldorado!

Phew! is that all?! For a minute, we thought you were suspicious!

Well, you've got your heroin . . . and I've got my money! Outside of a few million loopholes, it was the perfect crime!

HOLD IT! THIS IS THE POLICE!

Sorry, guys, but this isn't the perfect crime! And we still have three more loopholes to create!

I'm going to run and hide on this tiny, escape-proof island, and never be found by any of the 200 cops you have here!

That's loophole #1!

And I'm going to get myself into a place where I can be accidentally shot by Cockeye!

That's loophole #2!

And many of the hoods involved in this crime who came to this island and shot it out with the police will be released for "insufficient evidence"! I thought shooting at a cop would at least be a misdemeanor!

And that's loophole #3!

Well, anyway, on behalf of the American people, we want to thank you, Cockeye, for pursuing these criminals to the end!

Well, I appreciate the compliment, but it wasn't me alone! No, sir, it was a combination of guys . . . a regular potpourri of Dagos, Hebes, Fags, Spades, Polacks, Krauts . . .

Yeah, but what's the connection??

THINKING

WRITER: PAUL PETER PORGES

You are probably laboring under the misconception that all your aggravation is caused by little things . . . like little store clerks and little salesmen and little civil servants. That's only part of the picture. Supermarkets and department stores and post offices are like icebergs. The people who aggravate you in these places are not just the ones you see.

A MAD PEEK BEHIND

ARTIST: PAUL COKER, JR.

WRITER: LARRY SIEGEL

There's a guy out there mailing **hundreds of letters**, and it's taking him hours to sort them out! You know, one into the "Local" slot, one into "Out of Town", one into "Air Mail", one into "Overseas" . . .

Oh, stop! Stop! You're killing me! You mean he doesn't know all the slots empty into this one big mail bag!?

There! No, that's not clear enough! **THERE!** No, they still can't read it! . . . **THERE!!**

What are you doing?

I'm stamping "Fragile" on this package of glassware!

" . . . and so, my darling, with my wife going to her mother's house for the week, we can get together and do all those fantastic things we did last month at the motel. Remember, f'rinstance how we—"

Charlie is such a great reader! He should've gone on the stage!

This is the best "Hot Letter" that's come in all year!

I guess I'm spoiled, but after letters like this, I just don't feel like reading postcards anymore!

Okay, okay! Put an **Opened By Mistake** stamp on the envelope, send it off, and let's get back to work!

It's unfair! You can't arrest a guy just for taking up a hobby on office time!

I know, Willoughby, but "Stamp-Collecting"?!

You're new around here, Hendricks, so there are a few things you have to learn! First of all, the term "Junk Mail" is just an expression . . .

Wow! Sixty-three letters in a row into the Florida bag! That breaks your old record of sixty-one!

It don't count! Most of those letters aren't even addressed to Florida!

If there's one thing I can't stand, it's a sore loser!

They're only about 15% of the over-all picture. Actually, there are many other people working secretly and tirelessly behind the scenes to make your lives miserable. And so, in tribute to these un-seen and un-sung heroes, MAD introduces a new feature which opens up a hidden world never before seen by the average clod. In this first installment, we present:

THE SCENES AT THE POST OFFICE

Don't you think it's about time you delivered that copy of **Playboy**?

Take it easy! I'm only up to Page 37!

I know . . . but it's the March, 1962 issue!

Hey, Mannie, we have to send some government forms to your home! What's your Zip Code number?

How in heck should I know?

Whee! There goes an airmail letter to California!

Sometimes I wish the temporary help here would take their jobs more seriously!

If I told him once, I told him a thousand times . . .
**USE A DAMP SPONGE AT THE STAMP WINDOW . . .
USE A DAMP SPONGE AT THE STAMP WINDOW . . .**

Look at this! A roll of stamps that unwinds and doesn't stick together! I haven't seen one of these in twenty years!

Listen . . . mistakes can happen! Send it back to Washington!

How come that ambulance has been parked outside all morning?

Today's "Life" day at the post office—and there's bound to be one or two hernias!

You know this Parcel Post Package marked "Breakable"?

What about it?

They were right!

It's a Mr. Simpkin! He hasn't had any mail in three months!

Listen, Finchley! You have to deliver his mail! You're a **Postman**—not a waiter! I don't care if he **DID** stiff you this past Christmas . . .

But you **GOTTA** deliver the mail, Sturdley! You know our motto: "Neither Rain, Nor Snow, Nor Heat, Nor Gloom of Night . . ."

It don't say nothin' about fog—and it's foggy outside!

Has it ever struck you as peculiar that the restaurants which seem to be the most fashionably "in" are the very same ones that offer the shabbiest service and lousiest food at the highest conceivable prices? Well, it always struck us as peculiar, until one recent day when the mailman delivered a damaging little catalogue to the MAD office by mistake. Now, we suddenly understand how the whole beastly system works. It's all based on the assumption by owners of exclusive dining spots that we are a nation of incorrigible snobs, hopeless masochists and complete idiots. If you don't believe it, you really ought to get a look at this catalogue. Of course, you probably wouldn't be able to get one because it's full of horrifying trade secrets that laymen are never supposed to find out. So, in order to satisfy your curiosity and put you on your guard, here is . . .

Nowadays, the Producers of Broadway Musicals are chicken! They're scared stiff of taking chances on new and original stories. Instead, they prefer to play it safe—relying on material that's been

"WHERE'S MOBY?"

Based on "Moby Dick" by Herman Melville

There's Captain Ahab! He's the best Captain on the Seven Seas ... except for one thing—

What's that?

He's insane!

I HEARD THAT! And it's TRUE! I am insane! But I know you'll understand when I tell you why! It's this compulsion I have to find the Great White Whale—Moby Dick!

* I'm as nutty as yesterday's fruitcake! I'm as jumpy as a fish in a pail! If you're amazed That my eyes are both glazed— It's because of that giant White Whale!

I am balmy, with bats in my belfry! Lost as a ship that is tossed in a gale! And if I speak In a sort of a shriek— It's because of that giant White Whale!

* Sung to the tune of "I'm In Love With A Wonderful Guy"

THAR SHE BLOWS! A giant White Whale—off the port bow!!

At last! We've found Moby Dick! Man the boats! Sharpen the harpoons! Comb your hair!

Comb our hair?!

Right! On my ship, neatness counts! Now, who'll volunteer to come with me?

The cowards! They're all afraid of Moby Dick! But it's just as well ...

* I have tried to find Moby Dick before— But I quickly learned it was no easy trick before! Now just look at me— In the open sea Face to face with the whale that I lo!

"CALL ME JULIUS"

Based on "Julius Caesar" by William Shakespeare

Oh, Julius! You've returned from Gaul where you killed 85,000 people and burned their cities! Just listen to the people cheer you for your goodness, justice and love of humanity . . .

Quiet, my dear! The people are singing the National Anthem!

* Oh, Rome is our dream—
With its wild Colosseum,
And its traffic-jammed Appian Way!
Where the pizza is best—
'Tho it's hard to digest—
And Caesar's the king we obey!

Rome! Rome, you're just fine!
With that crazy "S-P-Q-R" sign!
Where the orgies go on
From the evening till dawn,
And each Christian is fed to a lion!

* Sung to the tune of "Home On The Range"

Beware the "Ides of March", Caesar! Brutus and his gang are going to kill you in the Forum!

But Brutus is my second in command! Why should he want to kill me?

Because he's No. 2! He tries harder!

We rub Caesar out today! Right, Brutus?

Right! Now here's my plan! Cassius—you get him from the front! Casca—you get him from the rear! And I—

What about ME, Brutus?

You, Trebonius will drive the Get-Away Chariot!

* Goodbye, Julie!
It's goodbye, Julie!
'Cause our knives are in your back where they belong!

You bugged us all, Julie!
With your Gaul, Julie!
Your ambition kept us wishin' for this parting song!

So farewell, Julie!
It's been swell, Julie!
But we hadda take a stab at jabbin' you!
Yeah . . .

We hope your will's made up!
And you have your bills paid up!
Julie, as a big shot, you are through!

* Sung to the tune of "Hello, Dolly"

Oh, Marc Antony! They've killed Caesar! Speak to the people! Tell them you'll follow in Caesar's footsteps!

That's been my idea all along!

Friends, Romans, Country . . . I don't know what you're going to do now—but as for me . . .

* Cle-o-patra, Here I come! Caesar's dead, but Don't be glum!

I love ya!
Think of ya!
Night-time and day!

I'll woo ya!
Sing to ya!
Hear me, Cleo, when I say—

That I would gladly walk a mile
Just for your Egyptian smile!
Open up that River Nile!
Cleopatra—here I come!

* Sung to the tune of "California, Here I Come"

"LOSE YOUR HEAD"

Based on "A Tale of Two Cities" by Charles Dickens

* Come on out to
the court-yard!
Come on out with the crowd!
We'll have the best
rev-o-lution yet!
We'll kill the King
and Marie Antoinette!

So let's root, root, root
for the Headsman!
He's got a job that is hard!
Yes, it's off-off-off
with their heads
At the old court-yard!

Excuse me! I'm
Sydney Carton,
and this is
Lucie Manette!
We're just over
from London!
Could you
recommend a
good
restaurant?

Are you nuts?
We're having a
revolution!
We're killing
people by the
thousands!

A revolution
did you say?
Well!! My
travel agent
will surely
hear of this!

Do you know
where we can
find my
sweetheart,
Charles
Darnay?

Darnay? Why
we picked him
up yesterday!
He's in the
Bastille . . .
waiting to be
guillotined!

* Sung to the tune of "Take Me Out To The Ball Game"

Did you
hear that,
Sydney!?
They're
going to
behead
Charles!

And now I suppose
you want me to make
some heroic gesture
—like switching
places with him and
dying so he can live!

Oh, Sydney,
would you?
It would
be ever
so nice
of you!

They're
going
to kill
me,
Sydney!

No,
they're
not,
Darnay!
Listen—

* Picture you—
Replaced by me!
That's what we'll do
So you'll go free!
It's me for you,
And you for me,
My friend!

I'm very willing
If me they are killing
And though it seems gory
It follows the story!
Just say that you'll do it,
So we can get to
The end,
Friend!

Please agree,
And golly-gee!
I guarantee
Lucie you'll see!
And do it
just for me!

* Sung to the tune of "Tea For Two"

Then I'll prove
I'm kind and good,
Like Charlie Dickens
Said I should!
Oh, can't you see
How happy he would be!

Why, that's
a great idea,
Sydney! I'll
be delighted
to let you
die for me!

Er . . .
couldn't
you
object
just a
little?!

Me and my
stupid heroic
gestures!
Still . . . it
does make for
a rousing
final chorus!

* Guill-o-tine!
We've got the nicest little
Guill-o-tine!
It does a job that's really
Neat and clean!
Sharp and keen!
It never makes an error!
And helps our Reign of Terror!

Guill-o-tine!
Come join the mob and you will
See just what we mean!
The blade is sharp, you bet!
It even beats Gillette!
You won't forget our
Guill-o-tine!

* Sung to the tune of "Baby Face"

ASSEMBLY INSTRUCTIONS FOR MAD'S SPY VS. SPYPLANES

Destroy After Reading *(Not Before, Idiot!)*

1. Very slowly and carefully punch out the perforated area marked "Cut Out This Area." Then, using scissors, carefully cut out the Spy and Hat-Brim shapes along the outlines. (If you are scissor impaired, let someone else do it for you!)

2. Fold over the nose flaps along the dotted lines, side A to A and B to B (both letters of school grades you've probably never received)! **HINT:** try using a ruler when folding planes to make folds straight!

3. Fold the spy body along the center dotted line, side C to C.

4. Using scissors (though not necessarily the same scissors used in step 1!), make a slot along the thick black line on the Hat-Brim.

5. Fold over the hat flaps along the dotted lines, side D to D and E to E. Fold the Hat-Brim along the center dotted line, side F to F. Now try saying "Hat-Brim" five times fast as you run around a table!

6. Slip the Hat-Brim shape you just folded over the upper hat shape already on the spy's head. Secure flaps E and D to the upper Hat Shape as sort of shown!

7. Fold both arms down and the bombs (or knives) up along the dotted lines. Now take a break and enjoy a nice refreshing drink... you've earned it!

8. Your **MAD SPY VS. SPYPLANE** is now ready to:

- A) fly like the wind!
- B) hang from your ceiling with tape and thread!
- C) crumple up and toss right in the old recycling bin marked "paper"!

Flying Tips: Changing the angle of the Spyplane's arms, knives or bombs will change its flight pattern! The Spyplanes fly best in open spaces and when thrown upward during launches! A little adhesive tape on the Spyplane's nose will help protect it in case of sudden loss of altitude! A little adhesive tape on your nose will make you look very silly! If you're unhappy with the way your Spyplanes fly, contact your regional offices of the FAA, the CIA or the AMA (only if a spy is injured during flight)!

When a sports reporter covers a football game, he doesn't mess around. He watches all the action, keeps track of all the plays, then steals the notes of another sports reporter and writes up the game in typical newspaper sports section style:

KOKOMO WHIPS MUNCIE 68-67 BEHIND KICKING OF RINGWORT

KOKOMO, Ind. (AP)—The educated toe of Zack Ringwort today gave the Kokomo Kangaroos a 68 to 67 victory over the Muncie Mincers. The win assured the Kangaroos undisputed possession of fifth

place in the North Central Indiana Pro Football League.

In a record-breaking performance, the Blonde Booter amazed the 85,000 onlookers and the national TV audience by kicking 17 field goals, the last one with but five seconds remaining in the final quarter.

Trailing 67 to 65 on their own 10-yard line, the Kangaroos appeared to have lost the game. Then came the key play of the afternoon, a personal foul called against Muncie linebacker Gus Faversham for kneeling the referee, who was taking a yardage measurement.

The 15-yard penalty brought Kokomo to its own 25 and set the stage for Ringwort's final kick, a mighty 75-yarder that split the uprights.

Footballer's Feat Pays Off In Endorsements, Television Pact

On Monday, NBC announced it was paying Ringwort \$70,000 for the rights to air a musical dramatization of his life story. The epic, tentatively titled "I Get A Kick Out Of Me," will star Paul Anka as Ringwort and the Robert Shaw Chorale as his teammates.

Other negotiations afoot include endorsements for "Crummies Bran Yummies," "Wembley's Denture Cleaner," and "Acme Blast Furnaces." A contract to endorse "Ivory Soap" fell through when it was discovered that Ringwort doesn't bathe.

Zack Ringwort shaves after game. Like other "Commercial-Making" athletes, Ringwort does not need to use a mirror any more, due to having shaved before TV cameras so often.

The record-breaking 17 field goals kicked by Kokomo's Zack Ringwort last week have already netted the Blonde Booter more than \$100,000.

Immediately after the game, Ringwort signed a \$35,000 contract with "No-swet Foot Deodorant," allowing his right foot to be featured in a series of full-color ads in Life, Look and Harper's Bazaar.

POPULAR ASTROLOGY

HOROSCOPE PREDICTS FOOTBALLER'S FATE

Astrologer Omar Pincus was not the least bit surprised when Kokomo football star Zack Ringwort kicked his 17 record-breaking field goals last month.

"I've been expecting it," explained Pincus. "You see, Ringwort is a Sagittarius with his moon rising in Pisces while Mars is descending in Leo and Venus is marking time in Cancer."

"Lucky for him the football used in the game was a Gemini and the goal-posts were Aquarius. On the other hand, if Kokomo had been playing the Rams (Aries), it would have ended in a tie (Libra, the balance). Then again, Ringwort might have ended up the goat (Capricorn) had Kokomo been playing the Scorpions (Scorpio), since he would have missed every field goal try and probably finished as the team Aquarius (The Water Bearer). That is, of course, if you believe all this Taurus (Bull)!"

The story at the left, of course, is aimed at sports fans who read the sports sections of newspapers. But what about publications that appeal to other kinds of readers? How do they manage to scrounge up a story from the same football game which will interest their readership? You don't know? You'd like us to show you! What a coincidence! We just happen to have, as this next article...

MODERN MEDICINE

Medical Musings

BY HARLOW WOLFRAM, M.D.

A classic example of a dislocated pelvis was the highlight of the recent football game between the Kokomo Kangaroos and Muncie Mincers.

While attempting a yardage measurement in the final quarter, referee Melvin Mishkin received a sharp blow in the *ilium* of his *ossa innominata*. The strength of the blow was attributed to the well-developed *quadriceps femoris* of Muncie linebacker Gus Faversham.

X-RAY OF REFEREE MISHKIN
SHOWING DISLOCATED PELVIS.

The extent of Mishkin's injury was suspected immediately when he was observed lying on the field, in a state of severe shock, unable to rise and his face contorted in marked pain.

Happily, it was announced the next day that he had, indeed, suffered a dislocated pelvis, which confirmed my earlier diagnosis.

Oooooooh, That Ringwort!

by Charles
of The Ritzy

Those of us who saw the Kokomo-Muncie pro football game in color went simply wild over Zack Ringwort's adorable new hair styling.

What a treat it was when his

helmet was knocked off by those nasty fellows on the other team. His wavy coiffure, set off by that *stunning* cowlick, was simply breath-taking. They don't call him the Blonde Booter for nothing!

And his uniform was too much to be believed, the way it complemented his hair coloring. I mean, when he trotted onto the field wearing that *gorgeous* chartreuse jersey and those honey-gold pants, we were all *tingling* with excitement.

I can't for the life of me remember which team won the game, but who cares about a *silly* old score when there's somebody like the Blonde Booter to look at. *Yummy!!*

MAN OF THE WEEK

This week's honors go to Harry Snavely (local 592), scoreboard supervisor at Kokomo Stadium. During last week's Kokomo-Muncie game, won by Kokomo, 68 to 67, Harry was kept mighty busy changing the scoreboard lights for the 85,000 spectators.

"I never seen such a high-scoring game," commented Harry. "In the second quarter, when it was 33 to 31, I could see it was gonna be a real hard day's work. But I had a responsibility to all those fans. So I did the only thing I thought fair—I threatened to walk out unless they paid me double time plus a \$50 bonus for hazard work."

Thanks to Harry's initiative, he was granted his request, plus extra sick leave, a three-month paid vacation, and \$500 in fringe benefits. We know all of our readers will applaud Harry's efforts, which are in the highest tradition of honest and fair Unionism.

"I was so thrilled by Zack Ringwort's record-breaking 17 field goals that I didn't pay any attention to the screams coming from the other room," said Ebbenfletzer.

"Actually, it was a mean thing for my wife to do," he explained. "My kids were all football fans and they would have gotten a big kick out of watching Ringwort's fantastic performance."

BIG DAY FOR OUR GUS AT BIG FOOTBALL GAME

Inmates will be pleased to hear that recent parolee Gus Faversham (3 to 10, armed robbery) was prominently involved in last week's Kokomo-Muncie football game.

Although Faversham's Muncie squad was nosed out, 68 to 67, our Gus did his part for the Mincers when he kneed the referee with only five seconds left in the game.

Those of you who know Gus will not be surprised to hear that the referee had to be carried off the field.

The angle captured the ball on its downward flight, just before it shattered the photographer's Luminox X-14 Super-Speed Duoflex.

Have you noticed that people seem to get disgustingly nostalgic about things they weren't really very crazy about in the first place? Like the 50's? We figure that any decade that had the Korean War, the Edsel, Senator Joseph McCarthy, Davy Crockett hats, the Hula-Hoop and Pat Boone wearing fruit boots can't be ALL GOOD! And yet, the hottest show on TV these days is about this very bland, very silly decade where the biggest problem seemed to be *who* was making out with *whom*, and how fast your *face* would clear up. So, okay nerds. Go put on your blue suede shoes, your pedal pushers, your ankle slave bracelets and your leather jackets and get yourselves arrested for committing an idiocy while reading

CRAPPY DAYS

ARTIST: ANGELO TORRES

WRITER: ARNIE KOGEN

Hi, Dad!

I'm just gonna hang loose and do some typical '50's teenage things! First, I'm gonna stuff a telephone booth! And then I'm going up to Inspiration Point, where all the guys make out!

No... but I have this new magazine that has a really wild centerfold!

I see! Uh... you got a girl??

Oh... Hi, Itchie! Where are you off to tonight?

Gosh, what a goofy mixed-up generation of kids! I—I can't believe it!! Hula-hoops!! Stuffing telephone booths!! They're all such suckers for FADS!!

Now, don't get upset, dear! You know the Brewsters are coming over later!

Oh, that's right! It should be a fun evening! I'll show them our new Bomb Shelter... and then we'll play some Canasta!

I'd better rush! I want to take a Toni Home Permanent! Where's the Chlorophyl Toothpaste?

Anything wrong, Itchie? How come you're still moping around here?

Dad ... can I speak to you about a problem?
Is it serious?

Not very! It—it's just that I don't have a **DATE** for the **"SOCK HOP COSTUME BALL"**!
On THIS show, that's SERIOUS!!

I don't know, Dad! Something **weird** is happening to me ... **career-wise!** In every '50's film, I used to be the most popular teenage symbol around! And now, I seem to be losing it all!

Nonsense, Itchie! We all love you ... even more than ever!

YOU do! But the girls in school ... and the audience out there ... **THEY DON'T!** Someone **ELSE** is taking my place!!

Itchie, the audience out there watches this show because they like to live in the past! They **DIG NOSTALGIA!**

So do I! Boy, am I nostalgic for the **"good old days"**!!
When were the "good old days"?
About two years ago ... when I was the Star of this show!

Well, whoever this person is, if he's more popular than **YOU**, he must be very well-mannered, articulate and intelligent!

HEY-YAYYYYY!! It's the FUNZ!!
Then again, maybe I could be wrong!!

Sorry the Funz is late ... but I was having my hair styled down at the **Texaco Station!**
At the **Texaco Station**??

Yeah! They move my head up and down under the **grease rack!**
HEY-YAYYYYY!! WOAHOHHH!!

What are you doing with all your suitcases, Funzie??

HEY-YAY!! Funny, you should ask! Since I'M the **STAR** of the show now, I'm movin' into Itchie's room! Let **HIM** sleep over the garage!

This fugitive from a leather factory is America's new **"Cult Hero"**!! Tell me, **WHY** is the Funz so popular???

Because he's pure **1950!** He represents the sex appeal of **Elvis Presley**, the charisma of **Marlon Brando** ... and, in all probability, the staying power of **Snooky Lanson!**

I still don't get what all the fuss is about! To me, he looks like the **fashion coordinator** for a rumble!

HEY-YAY!! WOAHOHH!
The Funz'll pretend he didn't hear that remark!

Say, Funz! What's with the **"Hey-yay"** and the **"Woah-ohh"**?

The Funz is the coolest, and that's **HIS SOUND!** That shows he's cool and tough!

On the other hand ... it could be gas! That shows he drinks lots of **Cokes!**
How would you like a knuckle sandwich, Cullingham?!!

Come on, now! Relax, Funzie! Why don't you take off your jacket and make yourself at home?

HEY-YAY!! Easy, Mrs. C! The jacket **STAYS ON!!** Where the Funz goes, the threads go! The Funz has worn this same outfit for over three years now!

We **KNOW**, Funz! We've been meaning to **TALK** to you about that! It's starting to get a little—shall we say—**GAMEY!**

And how would **YOU** like a knuckle sandwich, Mrs. C?!!

I hope I'm not interrupting something important, Funz!

WHAT TV Show? WHAT crucial turning point?

Be with you in a second, Itchie! I just wanna catch this! One of the great TV Shows of the 1950's is reaching a crucial turning point!

It's the "Mickey Mouse Club"... and I just noticed that Annette Funicello's **BRA SIZE** is now a lot bigger than her **MOUSE EARS!**

Gee, Funzie, I'm in a bind! I don't have a date for the Sock Hop Costume Ball, and I really want to go!

How do you do it, Funz? What's your secret...?

Wow! What wisdom!! And they say Adlai Stevenson is the egghead of the fifties!

Le'me tell you the Funz's philosophy about women! A woman is like a car! Check 'er out frequently, kick 'er once in a while, and keep 'er locked in a garage!

Cool it, Cullingham! The Funz'll get you one of **HIS** chicks!!

Right now, I need some action! I'll see you later at Arnerd's Malt Shop!

How come you're always on the move... always going somewhere on your bike?

Man, I wanna make every second count! I hear that in 20 years, there is gonna be a terrific **GAS SHORTAGE**

Look! All the nerds are here!

Hi, Putzie! Hi, Riff!

Hi, fellas! I was just telling Putzie about this chick I picked up at the movies! I took her up to Inspiration Point... and had a "perfect night"!

Yeah! A "perfect night"! He went 0 for 9 in makeout attempts!

Oh, yeah! And I'll bet **YOU'RE** some smooth operator!

Hey... are you cruisin' for a bruisin'?!
